

# THE SEA DIVERS

## FROM THE EXECUTIVE ARENA . . . .

The Executive Committee plods on! We have a full, full schedule of events for the remainder of 1992 and I would like to highlight three of those events:

- 1) The 11 April 1992 boat dive on CHARISMA to Farnsworth/Catalina -- our toughest month to fill a dive! Try to support us on this one . . . further details inside on page 3.
- 2) Our new "Eat Out" program beginning with our first restaurant on 18 April 1992 . . . details inside on page 4.
- 3) Chamber Day 4 on Wednesday, 6 May 1992, on the WILD WAVE with proceeds going to the Chamber at the Isthmus. Details on page 6.

In other relevant matters, the Hughes Skin and SCUBA club has ceased to operate and with agreement of the Hughes Executives, we have made an open offer to their members to participate in our club activities, which should be of mutual benefit to their members and to our club.

From time immortal and at least since Pontius was a trainee pilot, dues are difficult to collect -- THIS YEAR IS NO EXCEPTION! We are once more sending out separate reminders, in lieu of a newsletter, to those who have not yet paid. Come on, ante-up guys!

Nancy Cook has volunteered to become our Hospitality Chairperson replacing Robin Grant who has held the post for many, many years. Thanks Robin for your efforts. Wouldn't one of you out there like to volunteer to take the lead on a single upcoming event? Keep up the great support!

### FOREST IN THE SEA

Our film explores the amazing underwater world of the great kelp forests that stretch from the deep Pacific to our California coast. As those of us that dive off Southern California know, these forests team with life, including starfish, urchins, octopus, abalone, sea otters, etc. The giant forests are and have been endangered, both by man and nature. The Sea Divers were a major element in kelp renewal off the Palos Verdes Peninsula in the late 1960's and early 1970's. Today scientists continue to experiment with ways to restore the forests to their rightful magnitude. This is a very poignant presentation.

Please join us at the Round Table Pizza on Tuesday, 7 April.

Program Chairman

## GREAT PINNACLES AND REEFS

11 APRIL 1992 (Saturday)

FARNSWORTH BANKS/CATALINA

CHARISMA

MEMBERS \$67

(ALL INCLUSIVE)

NON-MEMBERS \$74

The mighty CHARISMA will take us from 22nd Street to FARNSWORTH BANKS and other pinnacles and reefs on the back and front side of CATALINA. This will be our first scheduled dive to FARNSWORTH since June 1990 and will probably not be scheduled again until 1994!

FARNSWORTH BANKS is on the back side of CATALINA about 1.3 miles off Ben Western Point. The banks are about 1100 yards by 600 yards, with the shallowest pinnacles at 55 to 70 feet. The spectacular walls descend to over 100 feet. FARNSWORTH is famous for its now protected unique coral which is the deep purple color contrasting with other colonies of coral, such as at SANTA BARBARA, which tend to be pink, red or orange. Some of the colonies of coral are over 15 inches in diameter, and the whole visual effect adds immeasurably to the beauty of FARNSWORTH, both to the eye and the lens of your camera, still PHOTO and/or VIDEO. Large FISH, which are not protected, inhabit the area so you spear folks should collect a nice bounty.

This is a spectacular dive and under perfect conditions can be dived by all except beginners. Under less than perfect conditions, this is an advanced dive. However, following the FARNSWORTH dive we will proceed to at least three other shallower pinnacles or reefs, suitable for all skill levels, around the West End of CATALINA. Although not as abundant as on the other islands, SCALLOPS and ABALONE are available to the persistent gameperson.

As is now typical of all Sea Divers charters, the trip includes air, food, snacks, beverages (leaded and unleaded), and an award or two to keep things interesting on board! Call Kathi (McNally) at (310) 370-1657 for immediate signup. FARNSWORTH is the closest world class dive to 22nd Street. COME ALONG, CHECK OUT OUR ALL INCLUSIVE PRICES AGAINST ANYONE!!!

IMPORTANT NOTE: Boarding will begin NO EARLIER than 5:00 A.M. Saturday. Departure is 6:00 AM SHARP!!!

## "ARE WE HAVING FUN YET?"

8/9 MAY 1992 (Fri/Sat)

SAN MIGUEL PASSAGE

PEACE

MEMBERS \$167

(INCLUDES EVERYTHING!!)

NON-MEMBERS \$182

Boarding the PEACE for our first two-day this year will begin in Ventura Marina about 7:00 PM on Thursday, 7 May for an early AM departure on the 8th. Everyone should be on board by midnight. Our final destination is the SAN MIGUEL PASSAGE between SANTA ROSA and SAN MIGUEL Islands. Depending on ocean conditions, we will either approach from the north side or the south side. Either way we hope to take in all areas from South Point around Sandy Point into TALCOTT (or vice versa!) on the SANTA ROSA side and then cross the channel and dive the south side out to WYCOFF LEDGE and beyond or from Cardwell to Harris Point on the northeast side of SAN MIGUEL. This itinerary should take us to the best ABALONE, SCALLOP and FISH areas in the channel. VIDEO and PHOTO opportunities are outstanding. Our overnight spot will again depend on the prevailing weather conditions but as always on our SAN MIGUEL area trips, if the weather cooperates we will also take in WILSON ROCK in lieu lesser dive spots!

Along with our planned diving we will enjoy all of the amenities the PEACE has to offer, including dive boat gourmet dinner Friday evening. We will also have a full compliment of Sea Diver goodies to add to the trip's enjoyment. Most of the dives will be suitable for all skill levels -- ocean conditions permitting -- and ANYONE can enjoy the bo the food, the hot tub, Bill McGee, etc., etc.!!

As an added incentive to sign up early, those who pay in full will be preassigned to their favorite bunk on a FIRST COME FIRST SERVED basis. This is another test run at preassigning bunks! For sign up call Kathi (McNally) at (310) 370-1657. PEACE TRIPS ARE ALWAYS GREAT ENJOYMENT -- SIGN UP NOW -- YOU CAN'T BEAT OUR PRICE.

### JUST SEVEN YEARS AGO:

John Mowrey was President; Robin Grant, Vice President; Mary Bryan, Treasurer; Kathy Adams, Secretary. We were holding the General Meeting at Beach Bum Burt's. The April 1985 boat dive was on the WESTERLY to Santa Barbara Island and our beach dive was the "bouillabaisse" dive at Veteran's Park - still a popular event!

The loose Hi-Tech Divers arrangement between several local clubs was holding an Easter Egg Hunt at White's Point and the Hughes club boat dives were listed in the TRW newsletter with 9 Fathom Reef as their destination on the CEE RAY. The newsletter for April also carried the first ominous account of sea otter translocation to a "to be closed" San Nicolas Island. Fortunately, the otters didn't like the place!!

### TRUK UPDATE #6

The Sea Divers booking on the TRUK AGGRESSOR for 13-20 February 1994 is fully subscribed. Twenty club members signed up and paid deposits, with another four on the wait list. If you wish to be wait listed, a \$100 deposit is required.

Participants -- are you saving your pennies in your piggy bank!!!!

The Palau add-on is going to be arranged by couple/individual on an individual basis, but we anticipate slightly more than half the group to participate. It's now only 22 months away!

Call Kathi or Allen at (310) 370-1657, or Barbara at (310) 318-5362 for additional information.

### LET'S EAT OUT!!!

As part of the club's social program, we are initiating an Eat Out every few months. This new activity will compliment Eat-Ins which have been a long standing club event. Our first Eat Out will be on Saturday, 18 April at the El Torito Grill, 21321 S. Hawthorne Blvd., Torrance - (310) 543-1896. We will meet between 6:30 PM and 7:00 PM and have reservations for dinner at 7:30 PM. If you are interested in joining us, call Nancy (Cook) at (310) 545-6393 (H) or (310) 813-1903. Approximate cost is \$12 per person including soft drinks. Alcohol, tax and tips are extra.

If you have any great Eat Out ideas let us know -- also, you may want to take the lead like Nancy did for this one!

## WILD WAVE ROUGHS ANOTHER ONE

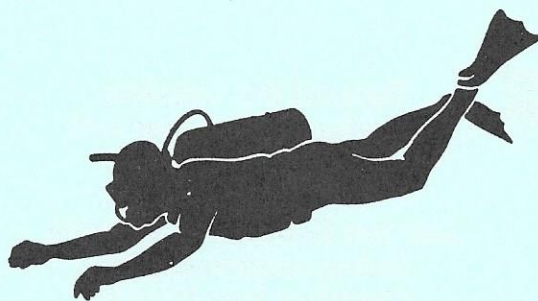

The WILD WAVE charter Sunday, 15 March, to Santa Barbara Island provided some advanced diving opportunities! The forecasted storm passed through during our night run from 22nd Street to the Island, and by the time we anchored off the northwest tip, in about 80 feet of water, the ocean was up. There were 8-10 foot swells with chop up to 4-5 feet. Once off the surface, things got better with 80 feet of visibility and a surprisingly comfortable high 50's temperature. Current was minimal but even at 70-80 feet, the swells could be noted on the depth gauge!! Getting back to and back onto the boat was sporty to difficult, but on this first dive most were prudent and approached the step from underwater. Those few who did not, had significant difficulty getting back to the boat.

For the second dive we moved about one mile south and shallower (50-60 feet) water. Surge City!!!. Surprisingly, however, visibility was still 50-60 feet. Pink (yes pink!) abs were clustered on small rock formations; however, picking off two legal sized in the surge was a real challenge. The boat was also dragging anchor off the reef, so when the last two divers surfaced they were about a quarter mile from the boat . . . surprise, surprise!!! By now there were some swell/wave sets coming through at 12-14 feet, so sanity set in and we motored between Sutil Island and the southwest tip of Santa Barbara into calmer seas.

The third dive was much more comfortable in up to 50 feet of 30-40 foot visibility, within a thick kelp bed. Ideal rock pile bug houses were everywhere, but they were not home in most cases. The fourth and final dive was about one quarter mile east of the third dive in quite similar conditions and with even less discomfort, allowing all our divers to make at least two dives or up to four for the advanced folks.

What was the take?? Quite a few abalone with several limits (all of two!!!) of mostly pinks; a passel of fish by just two divers; and a smattering of bugs including John Mowrey's HUGE 12-13 pounder for which he picked off the dive light prize we've been carrying for TWO full lobster seasons for the first 8 pounder!!?

The run back to 22nd Street was uneventful with steak, baked potatoes, corn, salad, dessert, cookies, wine, beer, etc., etc. A real pig-out. As we approached the dock we awarded John M his \$50 trophy and skipper Joel I his award for 1991 Skipper of the Year. We elected not to make a booby award as it would have been too embarrassing -- figure that one out divers!! All in all, it was a good trip, albeit a rough day out and our full load enjoyed --- well most!??

## BEACH DIVE TIME

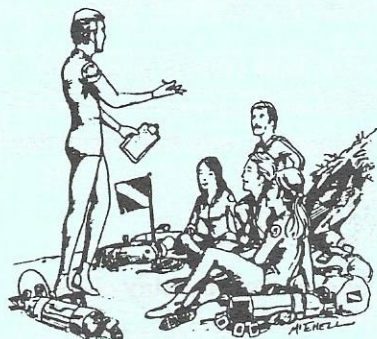

17 MAY - VETERAN'S PARK, REDONDO BEACH

DIVING - REFRESHER COURSE - BOUILLABAISSE COOKOUT / POTLUCK

We will dive just south of the pier at Redondo adjacent to Veteran's Park. For those unfamiliar with the dive site, it offers an easy sandy beach entry and the surf is typically small due to the Redondo Canyon at this location. Following a sloping sand bottom, the diver encounters the old Redondo Pier pilings about 50 feet out. They stand above the sand bottom reaching 10 feet and more toward the surface. Their long submersion leaves them covered with red corinactus and hollowed out havens for crabs. Continuing further, the pilings end in about 80 feet of water over the edge of the Redondo Canyon. Anyone requiring a short "refresher" in diving should contact Ken Sizemore for appropriate arrangements. Park in the Redondo Beach Municipal parking lot on the south side of Veteran's Park at 25 cents an hour (bring quarters!!!!).

Grande Master Chef Parker will again be stirring up a warm and filling pot or more of bouillabaisse that is guaranteed to satisfy the most discriminating diver. "Le Chef" asks all who plan to partake of this tasty concoction to bring SEAFOOD, CAUGHT OR OR BOUGHT, TO CONTRIBUTE TO THE POT. Crusty bread will be provided, but bring your own beverages, other accompaniments and a potluck if you are not into bouillabaisse! . . . more for the rest of us.

If you're not planning to dive and just want to enjoy the companionship and good food, plan to be at Veteran's Park in Redondo Beach between 11:00 AM and 12:00 noon.

The approximate schedule is as follows:

9:00 AM - 11:00 AM  
11:00 AM - 1:00 PM  
1:00 PM - 5:00 PM

Dive as desired  
Prepare bouillabaisse  
Eat and socialize

Veteran's park is shown on the map above. Allen "Le Chef" Parker is the key contact at (310) 813-2955 [work] or (310) 370-1657 [home].

THIS PARTICULAR EVENT HAS BEEN A GREAT SUCCESS IN THE PAST --- HOPE TO SEE YOU ALL THERE --- DON'T FORGET THE SEAFOOD!!!

## DIVE BOAT POLICY

A club member may, but is not required to, have a boat deposit on file with the club. A club member may make a reservation on an upcoming dive as follows:

- Unconfirmed reservations may be made for any boat dive at any time. To confirm a reservation, payment in full must be received.
- For single day dives, divers holding an unconfirmed reservation will be called 3 weeks prior to the dive and advised that payment in full is required no later than 15 days prior to the dive to be confirmed. Dive boat deposits will be considered as payment in full.
- For two day dives, divers holding unconfirmed reservations will be called 5 weeks prior to the dive and advised that payment in full is required no later than 30 days prior to the dive to be confirmed. Dive boat deposits may be used as part of the payment in full.
- If payment in full is not received by the deadline, the diver may be replaced by a wait listed diver who has paid in full.

Any reservation may be cancelled two weeks prior to a dive with a full refund. Cancellations will not be accepted within two weeks prior to the dive unless a diver holding a reservation can sell or transfer their reservation to another qualified diver. The dive reservationist will assist in this process, but is not responsible for providing paying alternates. When confirmation is received by the dive boat reservationist that a cancelling diver is being replaced by another qualified diver, the replacement diver is then fully responsible for the cost of the dive.

If a diver has a deposit on file with the club and uses that deposit to secure a reservation on a boat dive, he may not use that deposit to secure additional dives until he has paid the club for the first dive. Two years after a diver has ceased to be a member of the club, his unclaimed dive boat deposit will be forfeited to the club. Only Sea Diver club members and members of other selected clubs may make boat dive reservations prior to one month before a scheduled boat dive. Partial refunds from boats which do not make the advertised dive location will be passed on to members who request them within two weeks of the dive.
