

THE SEA DIVERS

IN AFFILIATION WITH AMERICAN DIVING

FROM THE EXECUTIVE CHAIR

Sitting in my executive chair during lunch time, musing how to get through the next month which for me in club activities alone includes 6 meetings; 3 dives in a brand new bug season and 1 major clean-up activity not to mention Raider games; birthdays; sailing and other sundry commitments, I once more realized that I basically enjoy life that way!?! Now I know that's not everybodys cup of tea, but as a minimum it keeps me from getting bored with life and becoming an aging old fuddy-dyggy. Point? Yes! We have close to 100 members who have not been active - at least in the club - over the past one or more years. Certainly the economy and the resultant negative spin-offs are a factor but I know there are some of you out there that could use a little (or a lot of) activity and boredom release!! Come on out with us again - get active - support your club - turn off the T.V. dammit and dive!!!

SCOTT FRIER ON PHOTOGRAPHY

Scott Frier has been involved with underwater photography for more than fifteen years. He graduated with degrees from the State University of New York. He subsequently taught public school and later photography in college.

Scott left education to join the Cousteau Society as chief expedition photographer. During his five years in this position, he accompanied the Cousteaus on numerous expeditions including those to the Gulf of St. Lawrence, the Great Lakes, the South Pacific and the Amazon.

Scott presently works for Nikon, Inc. As a technical specialist in underwater photography. In this capacity, he writes and lectures extensively about underwater photography. His photographs and articles have appeared in many magazines and books in the United States, Germany, France, Italy and Brazil.

When not traveling, Scott resides in Los Angeles where he spends his free time on his boat diving and photographing the marine life of the Channel Islands and the Southern California coast.

Be at the General Meeting at Petrelli's on 4 October 1994 to hear Scott's presentation.

THE SEA DIVERS 7TH ANNUAL UNDERWATER PUMPKIN CARVING CONTEST & POTLUCK

SUNDAY, 30 OCTOBER 1993

Test your underwater dexterity at the 7th (in recent times) Annual Pumpkin Carving Contest being held on Sunday, 30 October, at White Point (Issei Cove). The fun will begin at 10:00 AM and all entries must be on display for judging by 1:00 PM. The grand prize for the winning pumpkin is a single-day trip on an upcoming Sea Diver boat trip. In order to help the club treasury, an entry fee of \$5.00 will be requested.

A potluck will follow the contest. The Sea Divers will provide snacks, hot dogs and drinks. Family and friends are welcome. Please plan to bring a potluck dish of your choice to add to the post-diving activities. Hope to see you there. Any questions, please contact Kathleen Bennett at (310) 648-7077 (work). In order to plan refreshments for the event, please let Kathleen know if you'll be attending and how many will be in your group.

"NEW" BOAT - NEW BUG SEASON

14 OCTOBER 1994 (FRI)

SAN NICOLAS

ATLANTIS

MEMBERS \$90
NEW MEMBERS \$45
NON-MEMBERS \$100

INCLUDES EVERYTHING!

BOARDING 7:00 PM

DEPARTURE 12:01 AM

Well folks here we are already into the 1993/94 lobster (aka: bug) season! Amazing how this year has just flipped on by.

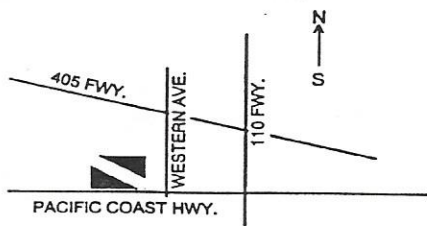

The "Atlantis" will be our "Wild Wave" replacement for 1995 so we anticipate reacquainting the club with the boat and it's owner/skipper Jim Caslin and his crew on this trip. As a reminder the boat is 65' long 20' wide; sun deck; large bunks with privacy curtains; color TV/VCR and a full (all inclusive on this trip) galley. "Atlantis" is docked at the same Cabrillo Marina dock used by the "Wild Wave".

Our destination is San Nicolas island in pursuit of bugs (primarily); scallops; fish and diving for fun. Abalone are out of season as of 1 October 1994.

San Nicolas can still provide the big bugs, and for the dedicated and persistent the challenge of the bag limit of seven (!?#@?!!) is always there. Weather permitting we plan to do a couple of drift dives as we have in the past two years. We should make four or five dives throughout the day.

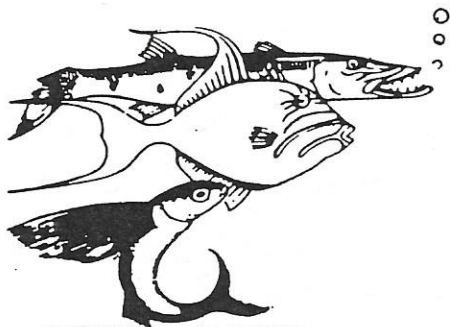

Although this is a Friday dive it has proved popular in the last two or three years so call Kathi (McNally) at (310) 370-1657 for sign-up and bunk assignments as you pay in full. This is an all inclusive trip on our "new work boat". BUGS 'R HERE!

AMERICAN DIVING is a full service scuba

diving facility. Our friendly and knowledgeable staff has been committed to excellence in customer service for more than 30 years. Our education department offers quality diving courses sponsored by NAUI (National Association of Underwater Instructors), an internationally recognized diver training organization. Our instructors offer courses at all levels from Openwater 1 through Assistant Instructor, plus a variety of Specialty courses such as Underwater Hunting and Collecting, Photography, Deep Diving, and Equipment maintenance. Courses are available either at a group rate or by private instruction. We also offer local and international dive travel and can assist you in planning your adventures from day trips to the local islands to your wildest diving fantasy.
