

# THE SEA DIVERS

IN AFFILIATION WITH AMERICAN DIVING

## FROM THE EXECUTIVE SEARCH MODE...

We are in major search mode to find a better meeting venue for our General Meetings. As of this writing we are 0-for-everything. The three primary improvements we are looking for are NO extraneous noise, NO smoking, and NO room charge! When you throw in the rough South Bay area requirement we once more - like last time - find very limited possibilities. We still have a couple on the list to fully check out. The Executive Meeting for January was at the Stick and Stein in El Segundo, which was one of our three "finalists". Unfortunately, although the (upstairs) room was ideal in almost every way it is open to the sport's bar and was very noisy - one of our difficulties at Petrelli's. The two remaining, National Sports Bar on Sepulveda Blvd. in Torrance and Schezwan Restaurant on PCH in Manhattan Beach (which is the revamped version of our previous meeting place at Pizza Hut some years ago!) have their own difficulties. Schezwan has no presentation capabilities and if we were a small (typical) group, they would split the room with a portable divider screen so as to use the other part for dinner service. National Sports Bar is a little out of our "normal" zone but does have most of the things we need. It is quite large (which may be a drawback) and as of this writing appears to be the leading candidate. We are still looking - any ideas out there? Our plan is to make a decision before the March meeting, no matter what. So bare with us through one more Tuesday at Petrelli's - 6 February - when we have a great program.

This issue has the summary report for our 4th Annual King Harbor Underwater CleanUp, which was another great success. Also included is the sign-up form for the 16th Annual Avalon Harbor Underwater Cleanup. Note for the first time the Avalon Cleanup will not take sign-ups on the day of the event.

Good diving to you all.

## FEBRUARY ENTERTAINMENT

### PAT SMITH - Author/Lecturer/Researcher

Patrick Smith will be our February speaker. Pat co-authored *Shipwrecks of Southern California* with Bonnie Cardonne and has written numerous articles on maritime subjects for variety of diving and nautical magazines. Pat is a native Californian, has been a certified diver for over 34 years and a NAUI Instructor for over 16 years. In his "spare" time, Pat gives lectures on maritime/history subjects and is a research consultant to a plethora of Federal, State, Educational, and Diving Industry organizations.

Peter Landecker 'volunteered' to perform the Entertainment Chairman's duties for part of 1996 so this presentation will be the first of our "Landecker Series". So come on down to Petrelli's on Tuesday, February 6th and listen to Pat Smith share some of his extensive knowledge and experiences on Southern California diving.

## CHARISMA AT SAN CLEMENTE

4 FEB 1996 (Sun)

SAN CLEMENTE (BACKSIDE)

CHARISMA

Members \$80

ALL INCLUSIVE OF AIR, FOOD, AND BEVERAGES

Boarding: 7:00 PM (2/3)

New Members \$40

Departure: 1:00 AM (2/4)

Non-Members \$90

The first dive of 1996 on our revamped schedule is on the mighty *Charisma* from 22nd Street. We plan to dive the backside of San Clemente primarily in search of bugs over 3¼" legal! I know there's lots of 3⅝" but some of them MUST have grown. The last time we were on the backside several large bugs were taken just south of West Cove. We'll run down the island to Seal Cove or beyond then work our way back making the last dive at the west end and probably around the Castle Rock area, ready for the run back to 22nd Street.

This dive is suitable for all levels of skill, ocean conditions permitting. The backside does see it's fair share of rough water and swells especially in the winter months. If we are weathered out then we'll partake of the frontside as an alternate. Looky-loos and/or photographers will not be disappointed with the environs of San Clemente and we've had some real nice dives this time of the year. John H. and the crew of the *Charisma* always take good care of us. So call Kathy (Kalohi) at (310) 719-1816 for sign-up and assignment of your favorite bunk or stateroom on receipt of full payment. This is our only planned trip to San Clemente this year.

### Game Galore at San Nicolas

The 10 March dive is on *Atlantis* to San Nicolas Island and Fish and Game Regulations show that both lobster and abalone are both in season. One of those lucky little quirks!! In anticipation of a potentially great trip, early sign-up, and bunk of choice with payment, may not be a bad idea. Call Kathy (Kalohi) at (310) 719-1816 to partake in this once a year phenomena.

### NEWSLETTER SCOOP -

#### Fish and Game Regulation Change!

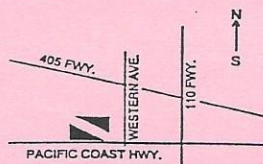

From GLACD:

Pink, Green, and white abalone will no longer be legal to take after 1 March 1997. The fishery will be closed initially for 2 years however, we can assume it will extended for a very long time.

### Dive Boat News

Our 1996 dive boat schedule was revamped somewhat from previous years. After successfully substituting *Atlantis* for *Wild Wave* in late 1994 and throughout 1995 we were disappointed to have only two dates on *Atlantis* in 1996. As a result we increased our charters with *Charisma* and *Encore* which are the most comfortable boats of the local fleet. The downside is they are bigger and therefore need 6 to 8 more divers to break even. *Charisma* and *Encore* are popular boats so hopefully we'll pick up non-members or other clubs to help out. We enjoy both boats, each having a slightly different style. *Peace* is our other boat and we have the same basic dates and destinations as last year. The late year dive is now a Saturday / Sunday affair which should work out better for some of our members. We're excited about our "new" line-up, hope our members are too. See you on the boat!!

## 4th ANNUAL KING HARBOR UNDERWATER CLEANUP

The 4th Underwater CleanUp activity in the Redondo Beach King Harbor complex again attracted almost 200 divers and almost 100 surface support personnel. Including sponsors, donators, and organization personnel we had about 400 people involved which is essentially the same as in 1994. We did maintain overall sponsorship and were thus able to maintain our donation to the Catalina Hyperbaric Chamber from \$2500 in 1992 through \$5000 in 1993 to \$6000 in 1994 and this year. Our date for the 5th CleanUp is Sunday 20 October 1996.

*\*Note: This 2000 lb. item was discovered during the 1994 CleanUp by Dick Burdick and Roger Blanchard. The 1995 video crew, Jennifer Sandanter and Richard Rice assisted by others, including Wil Lemley, raised it to the dock using the dockside hoist. We - although impressed - chose to exclude it from the award process due to the obvious unusual circumstances of it's recovery.*

Judging of the multiplicity of item submitted for each of the ten awards was, as usual, quite difficult. The following diver awards were made:

Once more the Dive N' Surf Dive Team signed up the most divers. American Diving, The Sea Diver's Affiliate, donated the most diver awards, followed closely by Dive N' Surf and Just Add Water Sports. Also thanks to Manhattan Beach Aquatics for donating air cards to include with all the diver awards and diver goodie bags. Thanks again to all our donors.

One further note...this year for the first time we awarded a 'Booby Prize'! A can of all kinds of weird little goodies, mostly worthless (e.g. broken snorkel keepers, discount coupons to SCUBA '95 etc.) was awarded to Shari Carreon who signed up as a surface worker on the day of the event. Shari proceeded to lose her receipt which allowed entrance into the awards ceremony, lunch, etc. The receipt was found floating in and harbor and recovered as part of the cleanup!!

## DIVE BOAT POLICY

A club member may, but is not required to, have a boat deposit on file with the club. A club member may make a reservation on an upcoming dive as follows:

- A) Unconfirmed reservations may be made for any boat dive at any time. To confirm a reservation, payment in full must be received.
- B) For single day dives, divers holding an unconfirmed reservation will be called 3 weeks prior to the dive and advised that payment in full is required no later than 15 days prior to the dive to be confirmed. Dive boat deposits will be considered as payment in full.
- C) For two day dives, divers holding unconfirmed reservations will be called 5 weeks prior to the dive and advised that payment in full is required no later than 30 days prior to the dive to be confirmed. Dive boat deposits may be used as part of the payment in full.
- D) If payment in full is not received by the deadline, the diver may be replaced by a wait listed diver who has paid in full.

Any reservation may be cancelled two weeks prior to a dive with a full refund. Cancellations will not be accepted within two weeks prior to the dive unless a diver holding a reservation can sell or transfer their reservation to another qualified diver. The dive reservationist will assist in this process, but is not responsible for providing paying alternates. When confirmation is received by the dive boat reservationist that a cancelling diver is being replaced by another qualified diver, the replacement diver is then fully responsible for the cost of the dive.

If a diver has a deposit on file with the club and uses that deposit to secure a reservation on a boat dive, he may not use that deposit to secure additional dives until he has paid the club for the first dive. Two years after a diver has ceased to be a member of the club, his unclaimed dive boat deposit will be forfeited to the club. Only club members of The Sea Divers and members of other selected clubs may make boat dive reservations prior to one month before a scheduled boat dive. Partial refunds from single day boats which do not make the advertised dive location will be passed on to members who request them within two weeks.
